

Mimi's Mission

Back to School SAFETY

Make sure children know their phone number, address, how to get in touch with their parents at work, how to get in touch with another trusted adult and how to dial 9-1-1

Remind children to always use roads with sidewalks & not to use shortcuts when walking to & from school.

If a stranger approaches, make sure children know to immediately report it to parent or trusted adult.

Remind children to **NEVER** get in the car with someone--even if they know them--without permission or hearing the Family Password.

Mimi's
Inspiration

Today is not just another day. It's a new opportunity, another chance, a new beginning. Embrace it.
