## SUMMER SAFETY TIPS

Make sure very young children know not to leave the yard. Walk the yard boundaries with them so they understand.

Set rules with children about how far they can go without asking permission.

Encourage safe, outdoor play. Remind children to drink plenty of water and protect against the sun.

Agree on amount of time appropriate for digital devices while kids are off school. This is also a good time to remind children to be cautious with new online social engagement & responsible with existing connections...**BEWARE WHAT YOU SHARE!**

Beware what you share!

Don't post you are out of town unless you have someone staying at your home!
